5 Must-Read Books to Create an Actual Impact in Your Financial Market Journey

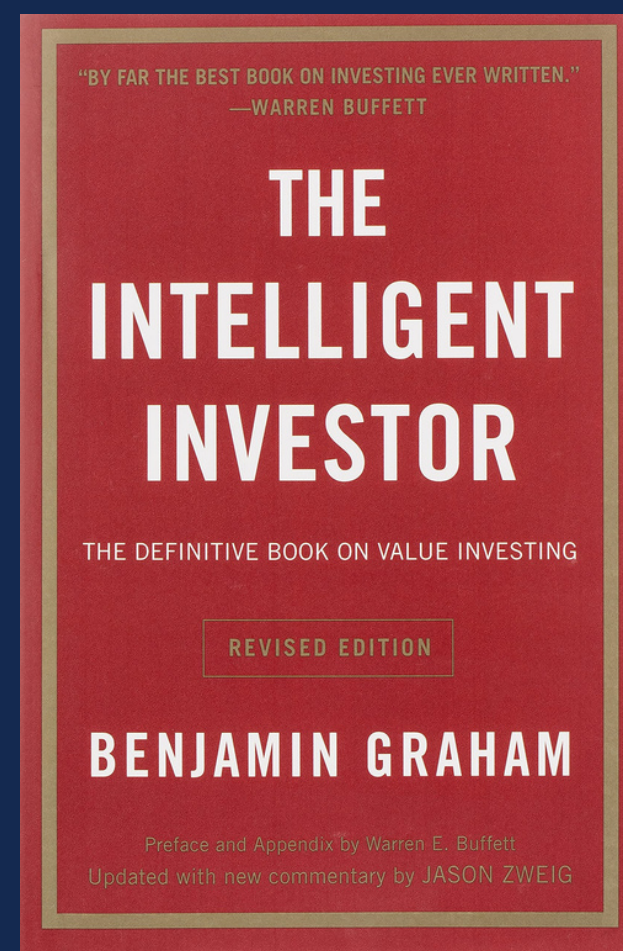

1. Liar's Poker-Michael Lewis

This was the first book that helped me to understand the outlines of trade operations on wall street.

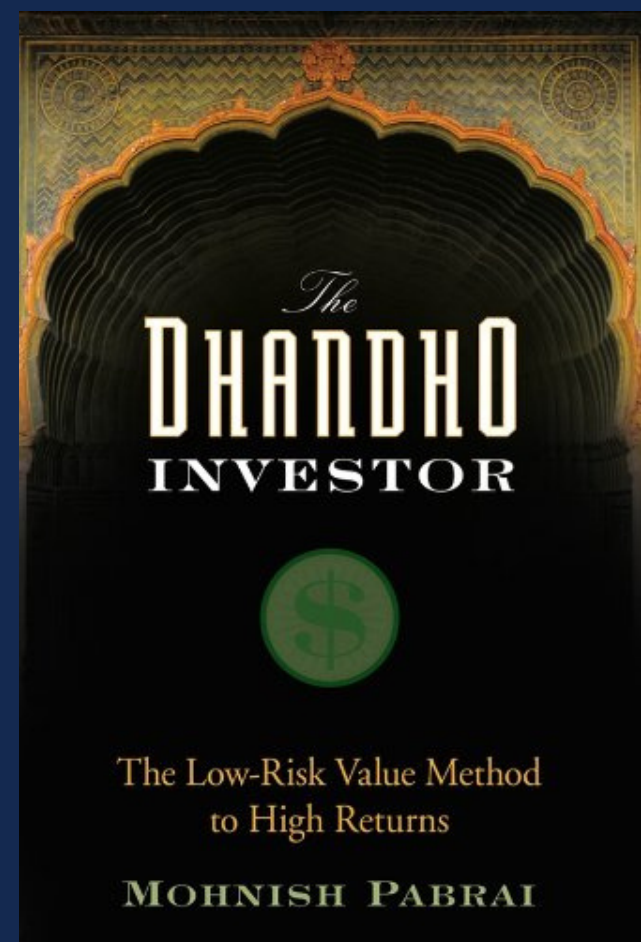

2. The Intelligent Investor- Benjamin Graham

I learned the core idea of share market through this book and it helped me to define my investment journey. Even today I consider this book as my bible for investment.

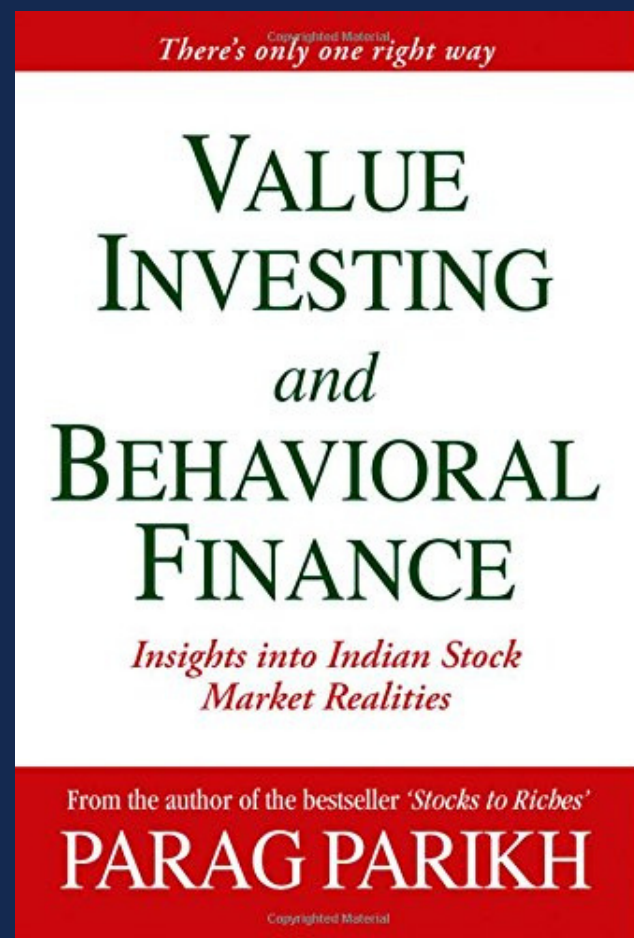

3. The Dhandho Investor- Mohnish Pabrai

The outstanding examples & anecdotes helped me to understand the application of market-related concepts in the real world.

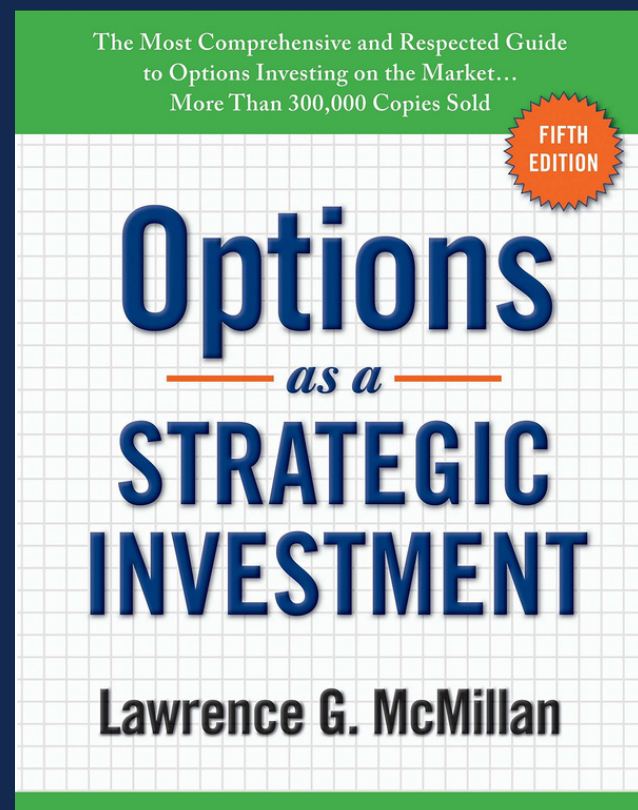

4. Value Investing & Behavioral Finance-Parag Parikh

I was able to decode the importance of stocks in the stock market through this book.

5. Options as a Strategic Investment -Lawrence G. McMillan.

I learned the crux of options trading from this golden book & would refer it to every trader.
